

INVITATION TO PARTICIPATE

The City of Auburn started a **FREE** citizen notification system in July 2008. All who voluntarily sign up will be notified by an automated telephone call of any boil orders, road closings for maintenance work or weather conditions, tornado warnings, and other important notices that need immediate broadcast.

If you would like to participate, call the City Utility Office at (217) 438-6151 with the following information:

NAME: _____

ADDRESS: _____

PHONE #1: _____

PHONE #2: _____

You may **ADD** phone numbers to the list at any time. You may **REMOVE** your numbers from the call list at any time by written notice.

If you have any questions, you may call us at (217) 438-6151.

Additional Notes:

- You do NOT need to fill this out again if you have already signed up in our office.
- The call system **WILL** leave a message. Please give us a number that has an answering machine or voice mail box.
- If you see our phone # on caller ID, **PLEASE LISTEN TO YOUR VOICE MAIL!** This will keep our phone lines clear if there is an emergency.
- We encourage all local business owners to sign up for this service also.
